## **Registration for Free Ride (Traditional Style Format):**

The Nationals, for the Traditional style Format, has been registered with the Cable Wakeboard Council (CWWC), and will be used to select an Australian Team to participate in the Cable World Championships.

Being registered with the CWWC means that our Nationals is a sanctioned event where Riders gain ranking points based on their performance at the competition. This enables riders to obtain a World Ranking, with Competitions sanctioned all over the World.

For the Traditional Style Format, we will be using the scoring system supplied by the CWWC.

This means that if you are riding in the Traditional Style Format you **MUST register on the CWWC website and then select our Nationals as a competition you are entering** (Please click on CWWC to register)
