1. LOCATION

1.1 Deca Cable Park in Clark

Manila is the Capital of the Philippines (Asian Australasian Oceanian region). Manila has a population of about 1.6 million people. Central Manila is surrounded by other cities. There are 12 million people living in this area, called Metro Manila.

All Federations officials and riders are advised to fly to Manila's International Airport, the Ninoy Aquino International Airport which is a two hour drive away to/from the Deca Wakeboard Park in Clark. A other Option is to fly to the closer International Airport: Diosdado Macapagal International Airport witch has used by Asian Airlines.

The Deca Wakeboard Park in Clark is close to the city and is an ideal location to hold the IWWF Cable Wakeboard and Wakeskate World Championships 2012.

6. ENTRY REQUIREMENTS

6.1 Nomination

It is the sole responsibility of IWWF-affiliated National Federations to select and enter their riders. There is no limit to the number of participants per each age category or Open category a National Federation can enter. No minimum entry is required. All entries must be submitted by National Federations

6.2 Conditions

The Cable Wakeboard and Wakeskate World Championships will be carried out according to the IWWF Cable Wakeboard World Council rules.

A full copy of the rules can be found at: www.cablewakeboard.net

6.3 Safety

Please note that you have to wear a helmet and an approved life vest.

All participants ride/compete at their own risk.

6.4 Categories Wakeboard and Wakeskate 2012

Please refer to the IWWF Cable Wakeboard World Rules for information on the Minimum Number of Riders per Category required.

6.5 License

All riders should be members of their respective country's IWWF-affiliated Federation. All entrants should have the IWWF International Wakeboard License (National Federations have to register their riders license online at www.eame.be).

How it works:

IWWF has a network of +90 National Federations. Only IWWF-affiliated National Federations can submit entry forms for the World Championships. By entering riders for the World Championships, National Federations certify that their respective riders are in possession of a wakeboard license and a valid insurance (which provides coverage internationally).

Each National Federation selects its team and decides on allowing the individual entries. If you are not sure how it works in your country or how to locate your respective National Federation, please contact us and we will provide information for you.

Exceptions: Riders from countries that don't have a National Wakeboard/Waterski Federation affiliated to IWWF will be permitted to register to compete in the IWWF World Championships, subject to approval from the IWWF. Please contact us for more information.
