

16th Europe and Africa Cable Wakeboard & Wakeskate Championships 2014

July 14th – 20th

Ostróda, Poland

BULLETIN 2

(includes all info from Bulletin 1 and updates with new accommodation options)

The 16th E&A Cable Wakeboard & Wakeskate Championships 2014 are held in Ostroda, Poland. The city of Ostroda is situated in northern part of Poland, in halfway between Warsaw and Gdansk . This relatively small but fast growing city is focusing its promotion on tourism and sport.

The cablepark's lake is located almost in the city center. There is a boulevard around the lake with a lot of restaurants, hotels and some recreational facilities. There is no need for shuttle buses because all we need for the championships is already on site.

Beside the championships, there are lots of activities such as concerts and the “festival of fire” during “Ostroda Summer Hot Days”.

Nomination for E&A Championships

Each National Federation selects its team and decides to allow individual entries. If you are not sure of how it works in your country or how to find the nearest club or federation, please contact office@cablewakeboard.net and we will provide information for you.

Exceptions: Riders from countries that don't have a Wakeboard/Waterski Federation affiliated to IWWF are allowed to register for the Championships themselves. Please contact us and we will help you to arrange the insurance policy and permission for individual entry.

In addition to your official nomination and entry done by Federations, every rider needs to register and join the competition at www.cablewakeboard.net individually.
