Liability:

The organizer assumes no liability for personal injury or property damages to competitors, referees, officials, workers or third parties. All competitors take part in every way at your own risk, even if they are committed outside the competition, for example. the Framework Programme. With the participation the runners do without any demands of requirements from all cases of damage, which may arise directly or indirectly from the event. All participants must be accident or liability insurance. The demands on the state and the security measures of the race course shall be governed by the applicable provisions of the International Waterski and Wakeboard Federation (IWWF) Region EA, the National Waterski and Wakeboard Federation (ÖWWV), the applicable regulations and ways of ÖWWV and each valid agreement (technical specifications) between the Organizing Committee (OC) and the ÖWWV, the arrangements of the respective arbitrator shall prevail. Each participant is obliged to report any faults to the referee. With its launch, the competitor is to realize that the given state of the race course and the existing security arrangements are recognized as appropriate and sufficient. A further liability for a particular condition of the match distance or certain safety provisions are covered by the organizer. All athletes get the liability waiver at registration on site submitted and must sign it.
