The Adrenalin Wake Park

Adrenalin Wake Park is located in rural Northland on the stunning Lake Edwin. The Cable Park has been operating for two years and we are still developing our obstacle range and growing our client base.

We are very passionate about wakeboarding and hope to grow the sport in New Zealand. Our dream is to construct the first full size cable system in New Zealand.

We try to provide riders of all skill levels a great time at our wake park. We have constructed our own obstacles to reflect this and to have the obstacles we want at our park.

I hope you find our park as enjoyable as we do!

The Course Layout is as follows:
