ABOUT SIBIU

Sibiu is a city in Transylvania, a beautiful-landscaped, historical region of **Romania**.

It is first a historical city which still preserves its built heritage in good conditions and thus offers the visitor a look back into the 800 years of history. Either you choose to stroll on the narrow stone-paved streets and passageways in the historical center (don't miss the eyed roofs for which Sibiu is famous), or you seek to visit historical venues, Sibiu has a great deal to offer. Here are a few of the most famous places in the historical city: Brukenthal Palace, the Bridge of Lies, the Council Tower and the fortification towers on Cetății Street, the three central squares where some event is always taking place – to name but a few. For more info, please access <https://sibiucity.ro/en/descopera>

If you just want to enjoy and breathe in the special atmosphere of this city, pick one of the open-air cafes and restaurants. Sibiu and the region of Transylvania are famous for the tasty foods and natural ingredients.

The city is famous for its history, but also for its culture. Around 300 cultural events take place each year in Sibiu, both in indoor, but especially in outdoor locations in the historical center. Check Sibiu City App to find an event to your taste. Also, sports events such as **Sibiu Cycling Tour**, **Sibiu Rally**, national tennis competitions as well as basketball matches, the city is a sports fan in itself.

If it is nature and calm you are looking for outside the competition, then visit the oldest **Zoo Garden** in Romania, hosting over 250 animals from over 60 species. Right next to the Zoo, you will find the **Astra Open-Air Museum**, which is dedicated to traditional art and civilization, but it is also a beautiful natural area situated in the **Dumbrava Forest**. If you are good with your hands, accept the challenge and participate in one of the pottery or woodwork workshops. If you are looking for adventure, 30 km away from Sibiu, you will find the oldest mountain resort in Romania – **Păltiniș**, excellent for hikes.

Sibiu is also a vibrant, European city, heading towards sustainability through smart solutions. Mobility recently became friendlier after the local public transportation was upgraded with environmentally friendly buses, and the City launched a bike rental system – **Sibiu Bike City**. So it is easy to move around Sibiu!

In a nutshell: Welcome to Sibiu, **European Capital of Culture in 2007**, **European Region of Gastronomy in 2019** and one of the top **European Best Touristic Destinations in 2020 and 2021**, a city with a high quality of life and a great vibe.
