Dear riders,

Join us for the first ever "ZgOpen" in Wake Park Jarun from
31. MAY - 01. JUNE 2013.

We have prepared open championship for men and women in wakeboard and wake-skate category. Junior competition will be held as well. "ZgOpen" is a two star (**) wakeboard competition.

Our goal is to start-off the 2013. season in style. We have paired up with Wake Park Jarun, that is providing the cable, infrastructure and all tech support for the competition. This season Wake Park Jarun is preparing a blast of a park with two kickers, 18m straightbox and a bigass pipe. In addition we will have ollie barrels and a huge funbox to top it off.

At the moment we have confirmed the arrival of ROPE Wakeboards, Red Bull and our seasonal sponsor, VIP telecommunications. We are definitely looking forward to the party we have prepared after the contest!

So, join up, ride and party on the first ever "ZgOpen" presented by Wake Klub Zagreb.
