If proposed Entry fees are higher than recommended, they are subject to CWWC approval.

For Virtual events, recommended entry fees are 50% of the noted amounts).

The performance guarantee is paid to IWWF when registering the event. This money will be lost if the event is cancelled. Upon completion of the event all noted fees are calculated depending on the number of participants, IWWF issues the invoice for the total amount and Organiser/Federation pays the outstanding amount.

Virtual events can be registered as maximum 2 Stars International. - All fees except travel related ones apply.

The use of the official CWWC scoring program during the competition is mandatory, results received in other format (excel, word, pdf, etc etc) will not be uploaded and riders will not receive ranking points for results. Points will not be uploaded into ranking until the competition dossier has been received by office@cablewakeboard.net

Cancellation Policy: In the event of cancellation of the event, the organiser promises to reimburse any costs borne by either the IWWF or registered and paid riders to the event. These costs include but are not limited to flights, hotel accommodation, airport transfers, parking fees.

The organiser will also lose the registration fee and the performance guarantees paid to the IWWF on cancellation of the event.

If the organiser does not reimburse costs borne, then these costs will be recovered from the authorising Federation.

By signing this registration form, the Federation and the Organiser agree to respect all IWWF and CWWC rules.

For all types of competitions additional rules and financial obligations apply. For all high budget events like World Championships, World Trophy, World Cup or Confederation Championships an additional contract has to be signed.
